

11:38am on a Wednesday

**R 38,000.00 ex.
vat**

The work features two black femme lounging in the nude of her architectural feat of a luxury home. The work is painted on hand laced paper and features the signature blue of Nobakada's painting practice. The brushstrokes are reminiscent in their size and blend of Impressionist art, but the subject of the work roots it in an African, feminine, contemporary moment.
