Ndako Nghipandulwa (b. 1988 in Kwanza Sul, Angola) is a self-taught artist. His parents were in exile during the liberation struggle, returning to Namibia post-independence in 1990. He studied Civil Engineering & Project Management, and worked in the construction industry before becoming a fulltime artist. Working predominantly with nails and string, Nghipandulwa is highly sought-after for his craft, creating numerous commissioned works for clients in Namibia.
