

**BIG MITCH**

**R 50,000.00 ex.  
vat**

This is from the series CITY MASK.  
It is a mask everyone wears in big cities.  
Hiding their true emotions behind their values and traditions.  
This one would be my dear city, LYON.  
Where it's habitants are so shy and scared.  
Yet so arrogant and full of themselves.
