

Jomeaux Celeste II

**R 52,260.00 ex.

Signed by artist.

The twin to Jomeaux Celeste I, this piece explores the timelessness of the notions of Yin and Yang – as with much of Djéka’s work, a yearning for balance and the ever-presence of the duality of life. The figure’s headdress with the sun keys into the Akan preoccupation with the metaphysical world and a higher power.
