

My Four Year Old Could've Done That

R 7,000.00 ex. vat

A new (2023) original painting by Koos Groenewald.

In Koos' signature pink, this painting evokes all levels of awkwardness and beauty, again attaching no dictated emotion to the viewer but rather letting the viewer take it on, into their own personal realm.

The quirky title adds to the overall nature of the artist, who truly revels in not taking himself too seriously.
