

## Dune Sconce\_Ash

R 15,000.00 ex.  
vat

Eclipse is a sculptural series inspired by the light sources essential to our survival.

A wall mounted light made of two sheets of clay; a mother and a moon. A concentric regular pattern is carved on the surface as a contrast to the organic nature of the sheets.

The light cast a beautiful glow on the mother sheet highlighting the beauty of the undulating surface and the carvings.

Frame	None
Medium	Stoneware clay
Location	Durban, South Africa
Height	40.00 cm
