

That's it, I'm Leaving | Si eso Me Voy

**R 81,000.00 ex.
vat**

In her new series artist Bianca Batlle Nguema invites us to consider a place of free expression and unbinding ourselves from the lingering energy of events past, from grief, fear, loss and the repressive states of being required of us in daily life – to thrive anew. The painting 'That's it, I'm Leaving / Si eso Me Voy' expresses the point women reach when they have had it with all forms of compromise and are ready to walk away.
