Akshar Maganbeharié’s ‘Lavender Haze’ was displayed in 99 Loop Gallery’s August 2023 Group Show ‘With Feeling’. In Maganbeharié’s process, he channels the energy of the popular culture he draws from, transforming it into a visual language that invites viewers to share in his creative journey. Maganbeharié’s ‘Lavender Haze’ expresses his ability to extract forms and colours from the frames, images, and videos that populate his reference points.
