

Miili Yao (Their Bodies)

**R 42,000.00 ex.
vat**

Purposely anchored within an elegant wooden frame, this compelling mixed media artwork showcases acrylic-painted nude female bodies intricately woven into a female figure that confronts the viewer. The meticulous weaving on a white background creates a powerful silhouette, capturing

the strength of females who have faced and overcome challenges. The work offers a profound connection to the female experience, inviting viewers to engage deeply with its vulnerable yet resilient narrative.

Frame	This artwork is adorned with a custom-made wooden frame, complemented by museum glass. The silhouette is meticulously mounted on a crisp white board, adding a touch of elegance and sophistication to the piece.
Medium	Wool, pencil, ink, pastels and acrylic paint.
