## Are You Listening?

Call for Price

*Are You Listening?* is available on premium satin photo paper. As part of *foto philosophies*, the image poses a question to the heavens, the viewer, and the photographer. In a time when there is a widespread dissemination of visual information, one can easily feel overwhelmed and at odds with the unseen forces that watch over us. In between the noisy grains, city smells, and growing

trend for young South Africans to seek their fortunes in a city like Cape Town, who do you *listen* to, are you heard, and who is *really* listening?
