'Amandla - The Strength To Go On' 2023 is a painting on fine art paper by the abstract expressionist painter George Masarira from his new solo exhibition: 'JAMBANJA Urban Chaos Interrupted' 2023. The talented Zimbabwean-born artist addresses cross-border migration and displacement across Africa. 'Amandla' means power from within and is a cry of resistance that helps us go on when we feel weak. The work symbolises the artist's call for creating visibility around and action towards the plight of immigrants and stateless persons across the world and in Africa. This work is available framed and has an elegant white frame.
