

FEELING KINGLY, my gold pouring hands

**R 21,000.00 ex.
vat**

I used spray paint to "punish" my friends name "EPOCH" in the background.
Then I drew the humanly looking figure with the hands up, praying and abundantly receiving.
I applied white acrylic paint in several thin layers in the back.
The gold skin furrows were added last, with a vinyl ink.

Frame	None
Medium	Mixed media on canvas
Location	Poet Laval, France
Height	80.00 cm
Width	80.00 cm
Artist	Khwezi Strydom
Year	2023
