

EPOCK'S GOLDEN SELF

**R 29,000.00 ex.
vat**

I spray painted EPOCK, my friend's name in the back ground.

I then drew the friendly monkey figure.
I painted it using acrylic paint.

I using dark green paint to start the furros technique.

I then poored glitter to outline the silhouette.

Ben was brother in arms through our night walks painting our dear Lyon city.
He stays one of my childhood most fascinating figures, stubborn and so fun, full of self-love.
