

a garden wander

R 4,200.00 ex. vat

This painting forms part of my 'Drenched in Eden' solo exhibition held in Dec 2023.

*a celebration of,
and invitation unto,
the rest and restoration that
the Garden abundantly offers us*

this body of work was created from a deep and tender place. a place in which i am learning to quiet my soul, slow my mind, listen more intently, and linger longer. i am learning to lean into the Maker of Eden.
