

Stolen Youth

**R 42,880.00 ex.
vat**

‘Stolen Youth’ draws a parallel between child labour and loss of innocence. It highlights and delves into themes of state failure, financial anxiety, and what it means for children to balance their childhood with adult responsibilities. To create this collage artwork, candid photographs are digitally edited into collages in an attempt to create virtual repositories of memory - bending the boundaries of documentary and fictional storytelling.

Frame	None
Edition Size	1
Medium	Unique Archival Art Print (Giclee)
Location	Lagos, Nigeria
Height	20.00 cm
