**/imagine [prompt] v3**

**Call for Price**

Image was generated as part of "RAW" exhibition, opening 4 April 2024.

RAW, a journey of self-exploration through the dialogue between traditional hand-rendered artworks and AI-generated art. The exhibition aims to challenge notions of authenticity and identity in the digital age by examining how both human and artificial intelligence contribute to the creation of personal narratives and expressions of self.

Frame	None
