

African Pot III

R 46,850.00 ex.
vat

Tamary Kudita's African Pot celebrates Gladys, a market trolley pusher with a regal presence. Her garment, inspired by her work apron, redefines femininity. The artwork explores the ever-changing African landscape, mirrored by the life-sustaining cactus and Gladys' intricately crafted pot. It's an ode to the harmony between nature's resourcefulness and human creation, blurring the lines of

tradition, anthropology, and beauty.
