

African Pot

**R 46,850.00 ex.
vat**

Tamary Kudita's African Pot honours Gladys, also known as Amai Chipo, a market trolley pusher with regal strength. Her garment, inspired by her work apron, defies traditional femininity. African Pot explores the ever-changing African landscape, mirrored by the life-sustaining cactus and Gladys's intricately crafted pot. It celebrates the harmony between nature's resourcefulness and human creation.
