

**The dream about this abstract space...**

**R 9,500.00 ex. vat**

Full title: "The dream about this abstract space that was both indoors and outdoors. My outfit matched the floor again. I was holding onto two balloons, shaped like my head. I couldn't see the string but could feel it, I could also feel the force of the balloons but somehow I was rooted on the ground and didn't float off into the abyss."
