

Once upon a time in Lome

**R 36,900.00 ex.
vat**

This painting highlights the bond between sisters during their trip to Lome, Togo . It was inspired by sisterhood and the unforgettable memories shared between them . The subjects were portrayed to create a sense of humor, playfulness and an adventurous spirit . The composition of the painting aims to create a sense of nostalgia for the artist , and also the importance of sharing experiences with loved ones as it strengthens the relationship between siblings and helps with understanding each other better.
