Elléna

South African Artist [Elléna Lourens](#) Began Working On Personal And Collaborative Creative Projects While In School. Since Then She Has Further Pursued Illustration, Street Art, Painting And Embroidery. Her Style Lends Itself To The Past In Its Representation Of Ancient Symbols, Patterns And Color Schemes , While Voicing An Intuitively Current Aesthetic That Resonates And Seeks To Redefine Emotional Iconography. She Has Immersed Herself In The Creative World, Working Alongside Established Artists, As Well As Furthering Her Own Practice, Taking Part In Shows And Creating Murals In Both South Africa And Internationally.
