

NGWANA MOBU 006

R 75,000.00

The unique visual language is born from my love of architecture, African sculpture, and Basotho mural art (Litema). By blending these influences, I deconstruct forms and create vibrant, contemporary pieces that evoke the warmth of home, the beauty of culture, and the depth of human experience.

Frame	None
Medium	Acrylic on Canvas
Location	Parys, South Africa
Height	152.00 cm
Width	122.00 cm
