

"I'm here for you

The artwork was inspired by childhood memories and it explores the unconditional love relationship and innocence. I used bright colors bold colors juxtaposed by my subject matter to bring out the mood and emotions of my subject. I used a grained (sand mixed with acrylic paint) monochromatic color on bodies to give a textured crispy feel. I hope the artwork will inspire the viewer to continue spreading love, compassion and protection to others and let the cup overflow with love.
