

Ityala aliboli II

R 7,500.00

The image shows a page from a handwritten manuscript. The text is densely packed and written in a cursive script, likely a form of African or indigenous writing. The words are repeated in various patterns across the page. At the bottom of the page, there is a star map or constellation diagram drawn on a grid, with several points marked by dots and some points connected by lines. The overall appearance is that of a historical or ethnographic record.
