This painting presents a serene, mystical scene featuring two horses set against a night sky illuminated by stars. The ethereal quality of the painting is enhanced by the soft blending of blues and greens, with the horses seemingly merging with their surroundings. The luminous yellow dots scattered across the horses evoke a dreamlike or otherworldly atmosphere, suggesting a deeper connection between the two animals and their environment. The title *Me and You* hints at themes of companionship, unity and perhaps a shared journey, inviting viewers to reflect on relationships and the bond between creatures. Van Straten's characteristic use of abstraction and soft focus enhances the emotional depth and intimacy of the piece.
