

The Home Stretch A3

R 1,000.00 ex. vat

Caption:

The front face of Table Mountain is a welcome sight to anyone running UTCT. It marks the home stretch of almost all the races. If you've made it this far, you've done it. From the contour path where this shot was taken, you can not only see the finish line, but hear it too. A goosebumps moment for any runner.
