From *ijusi Portfolio #2: 'Extending the local narrative into a global discussion'*.

Curated by Garth Walker and Gavin Rooke, this portfolio is a considered blend of local and international talent. In partnership with Rooke Gallery, ijusi formed a limited edition range of curated portfolios aiming to raise funds for the magazine, ensuring that ijusi remains in print. Each portfolio is comprised of ten original printed lithographs in an edition of fifty that showcases selected pieces from past issues of the magazine. These portfolios have been acquired by a number of leading art museums and private collections worldwide, and are all but sold out, successfully allowing the magazine to continue being published.
