"Black Sheep" Print by Lesedi Ramushu

In **Black Sheep**, Lesedi Ramushu delves into themes of identity, belonging, and resilience. The print captures a striking interplay between bold, contrasting tones and intricate textures, drawing the viewer into a deeply personal narrative. Reflecting on his experiences and the untold stories of those often overlooked, Ramushu's work resonates with individuals navigating the complexities of standing apart while striving for inclusion.

Accompanying this artwork is Ramushu's original jazz composition, a soulful melody that enhances the emotional depth of the piece. The jazz song mirrors the print's themes, offering an auditory journey through moments of introspection, struggle, and triumph. Together, the visual and musical elements create a multi-sensory experience, inviting audiences to immerse themselves in the artist's world.

Available exclusively on Latitudes Online, *Black Sheep* and its accompanying jazz piece celebrate the beauty of individuality and artistic expression.
