

SERENDIPITY, 2024

R 6,800.00

This work forms part of the limited edition of digital paintings produced by the uber-creative and conceptually astute Kirika. The collection was designed for the THE AFRICA SALON exhibition and reflects the artist's depiction of contemporary Africa, youth voices and a post-millennial generation of urban creatives reimagining the continent and its visual culture that now closely informs global trends and visual expression.
