

Can you hear yourself breathing?

R 8,000.00

Can you shape a piece of writing so that it looks like a storm? Can you work out an ending? Can you see a different face this time? Have you ever hidden in a dark place? Have you ever been unable to go to sleep? Have you ever felt that something was watching you? How many paths are you taking? What are you telling yourself? Is the store crowded? Is night as dark as this? Do you believe this poem? Can you hear yourself breathing?
