

My Friend the Forest

**R 20,000.00 ex.
vat**

An Abstract Acrylic painting with handwork in Caran d'Ache crayon and pencil. Drawing inspiration from the shady moist mountain side of Cape Town. I love to watch the way light moves in these dense green spaces with my paintbrush and then distort the memory of the spaces with handwork, creating further details. These imaginary botanical scenes are where I feel most inspired lately. There is a freedom in being able to imagine something else in your mind.

Frame	Kiaat Wood Box Frame
Medium	Mixed media on canvas
Location	Cape Town, South Africa
Height	80.00 cm
Width	4.00 cm
Artwork Height	60
Artist	Amy Ayanda Lester
Year	2024
