

Blues of Devotion

R 4,500.00 ex. vat

An abstract portrayal of prayer, this piece captures a child in quiet surrender, hands pressed together, eyes heavy with emotion. Deep blues cascade down the figure, blending into a warm, textured background of ochre and soft pink, as if dissolving into the act of devotion. Subtle silhouettes emerge from the drips, hinting at unseen presences, memories, or echoes of faith. A powerful expression of stillness, reflection, and spiritual depth
