**Echoes of silence**

**R 4,500.00 ex. vat**

A childlike figure emerges from the void, drenched in deep blues and swallowed by an abyss of black and gray. The paint clings and drips, as if time itself is eroding their form, yet their presence remains—watchful, waiting. Shadows creep across the face, melting into the background like memories dissolving into the past. At the bottom, green drips like fragile hope, fighting to reclaim space in a world consumed by darkness. A haunting meditation on innocence, resilience, and the weight of silence.
