**Rhino**

**R 74,000.00**

Sibulelo's ceramic works celebrate the rich heritage of Mmankgodi clay, his homevillage, using traditional pottery techniques passed down through generations. Each piece reflects a deep respect for cultural preservation, storytelling. Rhino is a piece that shares awareness on the extinction of the animal itself, with the bulging stomach shape like a pregnant woman, its an ode to the birth of an extinction.
