

Kandee Kamphaa

R 46,465.00

This mixed media piece is made from muslin, acrylic, and yarn on paper. It is a tall, narrow green composition with uneven, hand-torn edges. At the center, elongated and overlapping forms in dark blue, brown, and black extend vertically, resembling abstracted limbs or organic structures. Fine stitched lines and threads appear throughout, adding texture and depth. Subtle tonal variations in the green background create a layered, fabric-like surface.
