

Cacao Boh

R 13,767.00

This digital collage is depicting a fragmented purple-toned human figure composed of separate

body parts torso, limbs, and abdomen vertically aligned against a backdrop of dense green foliage. Above the figure hang cocoa pods, partially visible at the top edge. In the lower left corner, a sign reads “Hôpital Général de Tiassalé,” positioned near the roadside amidst trees and vegetation. The scene is brightly lit, with clear skies visible through the treetops.
