

## Cravings Of A City Girl I | Scarf

R 2,300.00 ex. vat

The artist behind this garment is Puleng Mongale. Born in South Africa, Mongale's imagined, photoshopped landscapes are vivid renderings of a life she yearns for; a form of intensely personal catharsis into which she inserts images of herself, reinventing her life and creating new contexts.

This scarf is an artwork – it will look just as good wrapped around your neck as it will framed on your wall.
