This framed and ready to hang colourful contemporary modern abstract pop artwork is a one of a kind authentic, original artwork, derived entirely from my own observation and imagination.

I am fascinated by the digital age we live in right now!

Many layers of acid free textured cut paper are used to create depth and to bring this 3 dimensional artwork to life.

I framed this artwork with a modern white handmade boxed frame that was manufactured specially for this artwork, this frame have a Plexiglas front, this means the artwork is protected from ultraviolet light.

Thank you for looking at this artwork.
