

Aerial Views I

R 3,650.00 ex. vat

Aerial views I is an abstract interpretation of a newspaper clipping I came across of a mountain range with deep trenches and valleys. It reminded me of the impact that perspective has on our perceptions and how our point of view completely alters our understanding when we observe and interpret a visual depiction. The piece was created to be installed either in landscape or portrait orientation, and the viewer chooses the perspective.

Frame	None
Medium	Inks and pastels on fine arts paper
Height	49.30 cm
Width	70.40 cm
Artist	Jessica Michelle Le Roux
